

A hand-drawn sketch of a mobile application interface for user registration. The interface is contained within a rounded rectangle representing a phone screen. At the top, there is a status bar with a Wi-Fi icon, a cellular signal icon, and the time 14:06. Below the status bar, the form consists of several input fields and a checkbox. The labels for the fields are 'username', 'Pasword' (misspelled), 'adress' (misspelled), and 'postal code/zip code'. Each label is followed by a rectangular input box. Below the 'adress' field, there is a checkbox followed by the text 'I am older than 8'. At the bottom of the form, there is a blue hyperlink that reads 'TO YOUR PROFILE!'. The entire form is enclosed in a thick black border. To the left of the phone screen, there is a single vertical line.

username

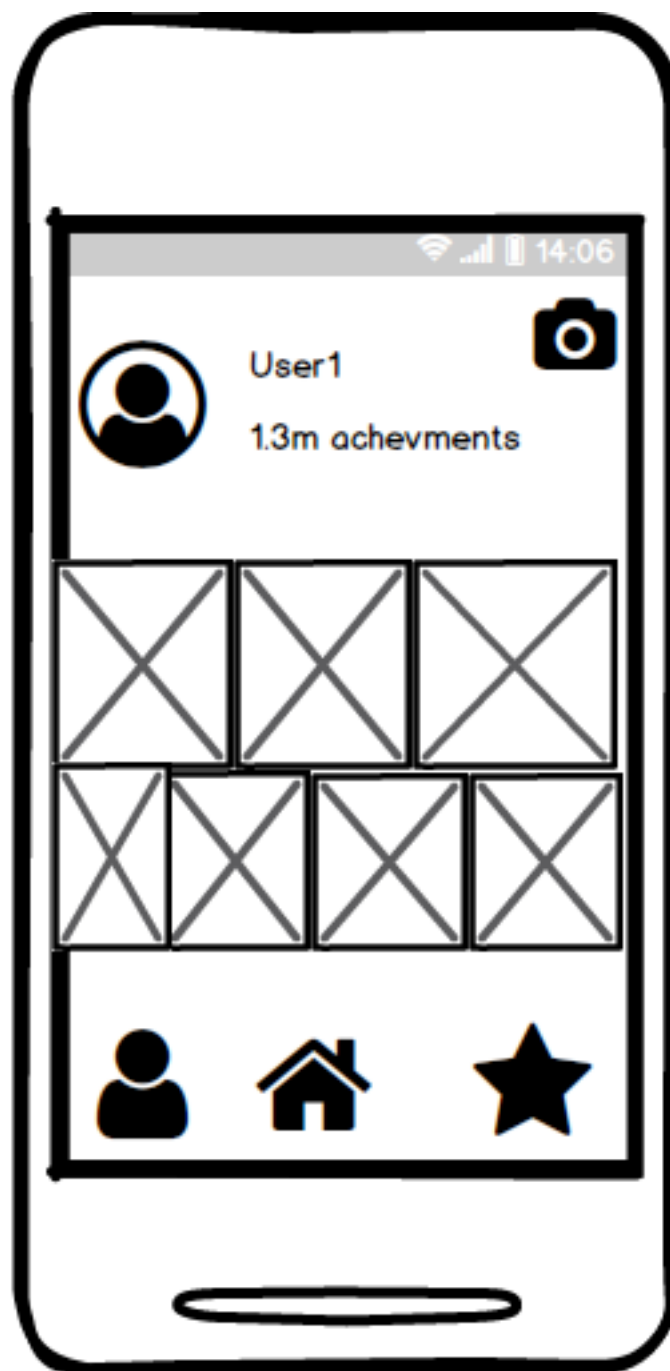

Pasword

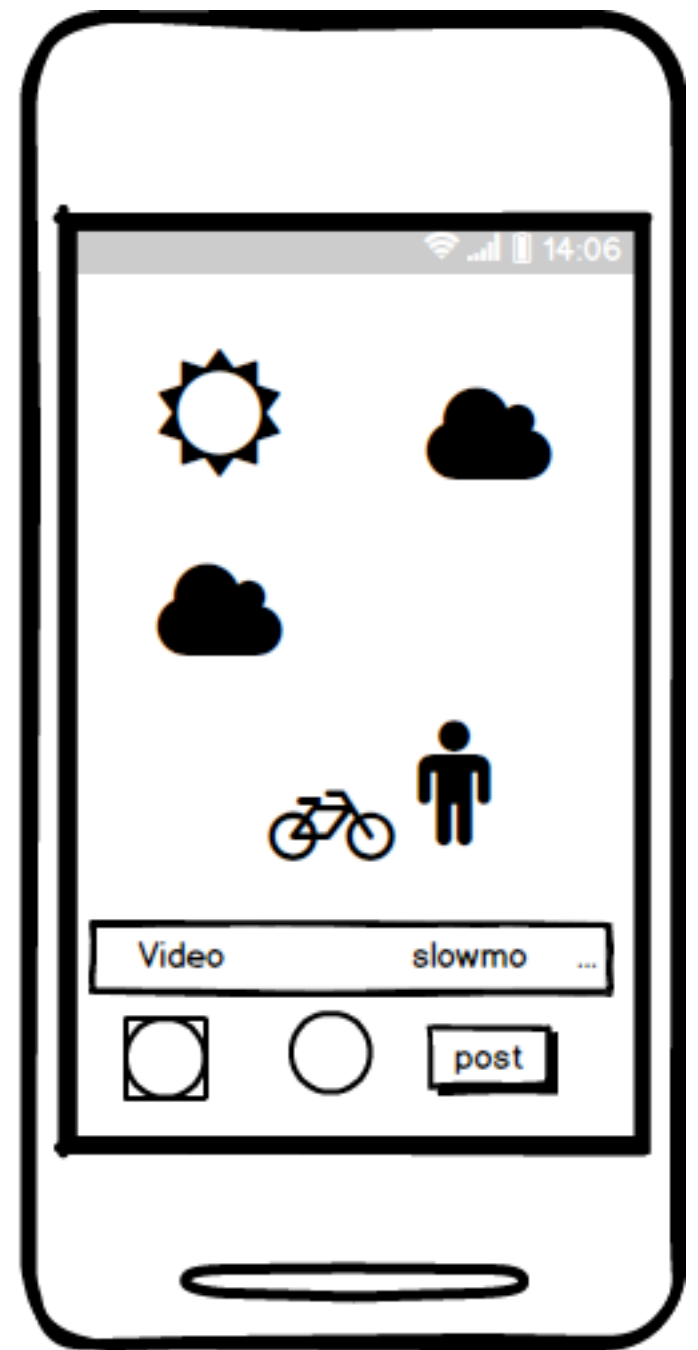

☐ I am older than 8

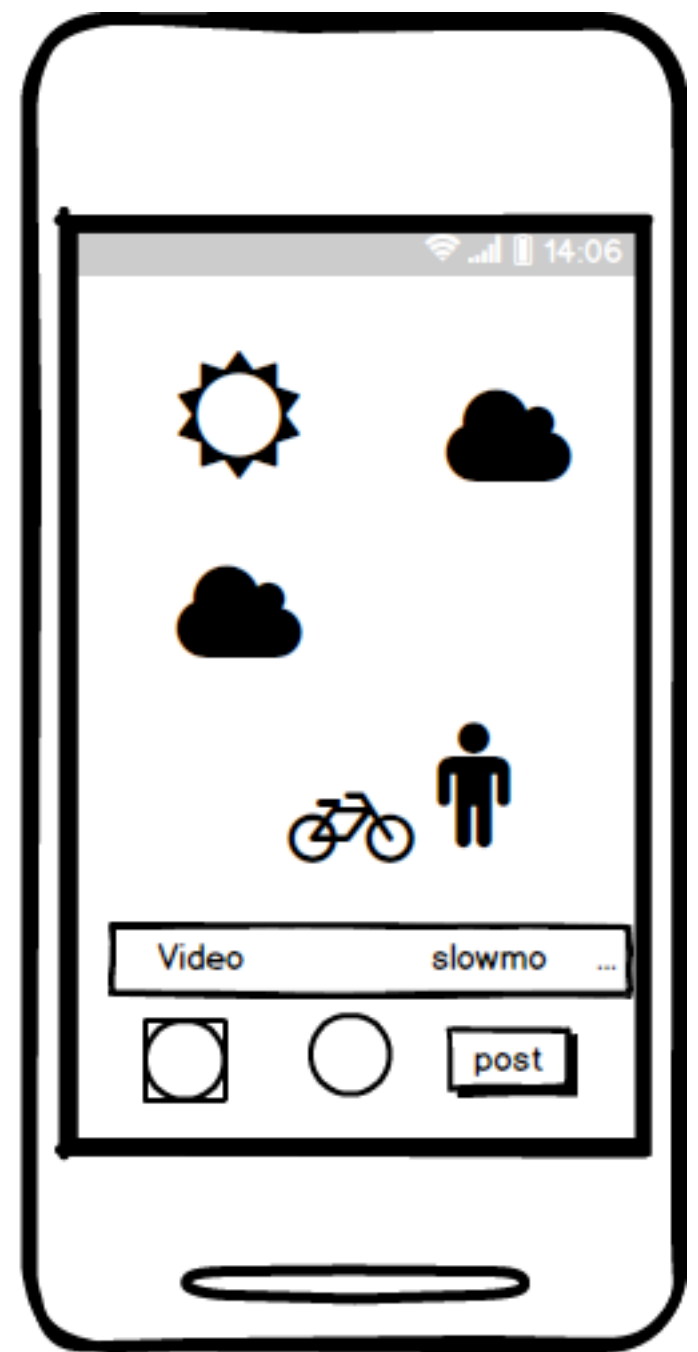

adress

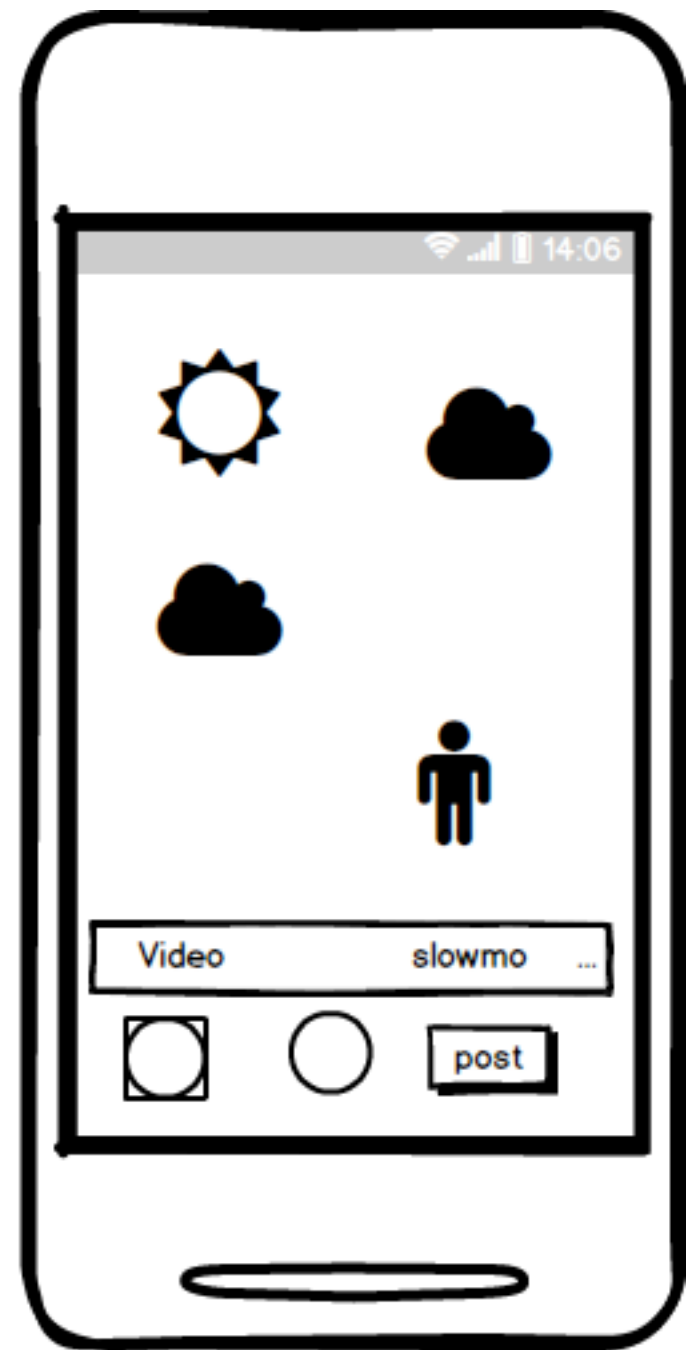

postal code/zip code

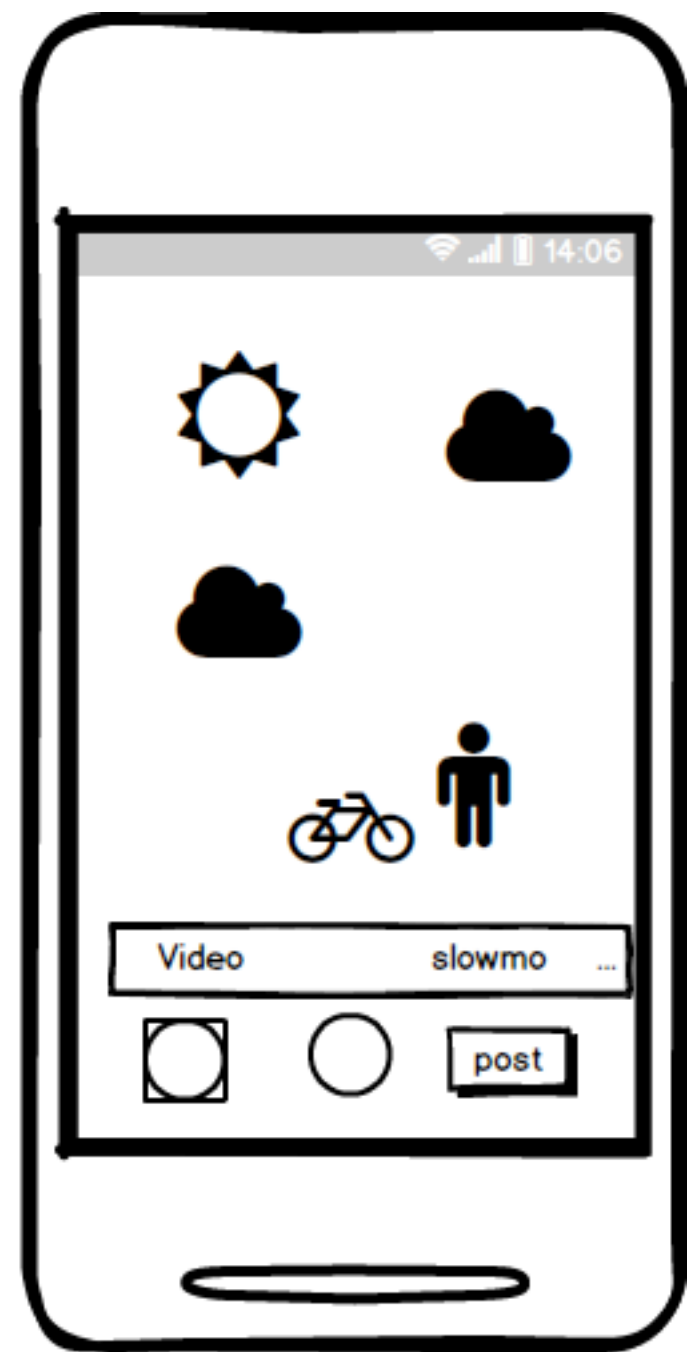

[TO YOUR PROFILE!](#)
